QLD Kit Homes is a locally owned business specialising in the distribution and installation of custom made steel framed quality homes. We supply and install premium quality kit homes, patios, sheds, carports, barns, farm sheds and commercial buildings. As part of a large buying group of steel frame buildings we can offer you the best quality product for the best possible price.

- It's your choice, standard or premium quality fit outs
- Over 20 floor plans to choose from differing in style and size just for you! (Can be modified to your liking)
- Custom built to suit your lifestyle and budget
- Let QLD Kit Homes manage your job from start to finish
- Servicing all of Far North QLD - No project too big or too small!

Please contact us on 4038 3900 for more information or to make an appointment

Things to Bring along:

- Your list of requirements
- A sketch of a plan if you have one
- How many bedrooms?
- What is your budget?
- Do you have land and is it level?
- Town water and sewer?

Note:- QLD Kit Homes will take the project up to “Lock Up” stage only and will have signed off through council – owner will need to provide a builders license to finish off the build. If the builders license is not included in the initial council application, there may be additional fees to amend the permit once issued.

NQ Sheds and Patios’ Insurance Public Liability No. AP-2870. Note: This covers all our contractors and subcontractors who are not otherwise insured, also includes accidental damage or theft to materials on site. Public Liability is up to \$20,000,000, and projects up to \$800,000.

Regards,

Qld Kit Homes
